

# GOOD MORNING!

WORLD CAFÉ DISCUSSIONS

# WORLD CAFÉ – WHAT IS IT?

## 3 Rounds of Discussion

- Round 1: Focus our Collective Attention
- Round 2: Connect Ideas for Deeper Insight
- Round 3: Create Forward Movement

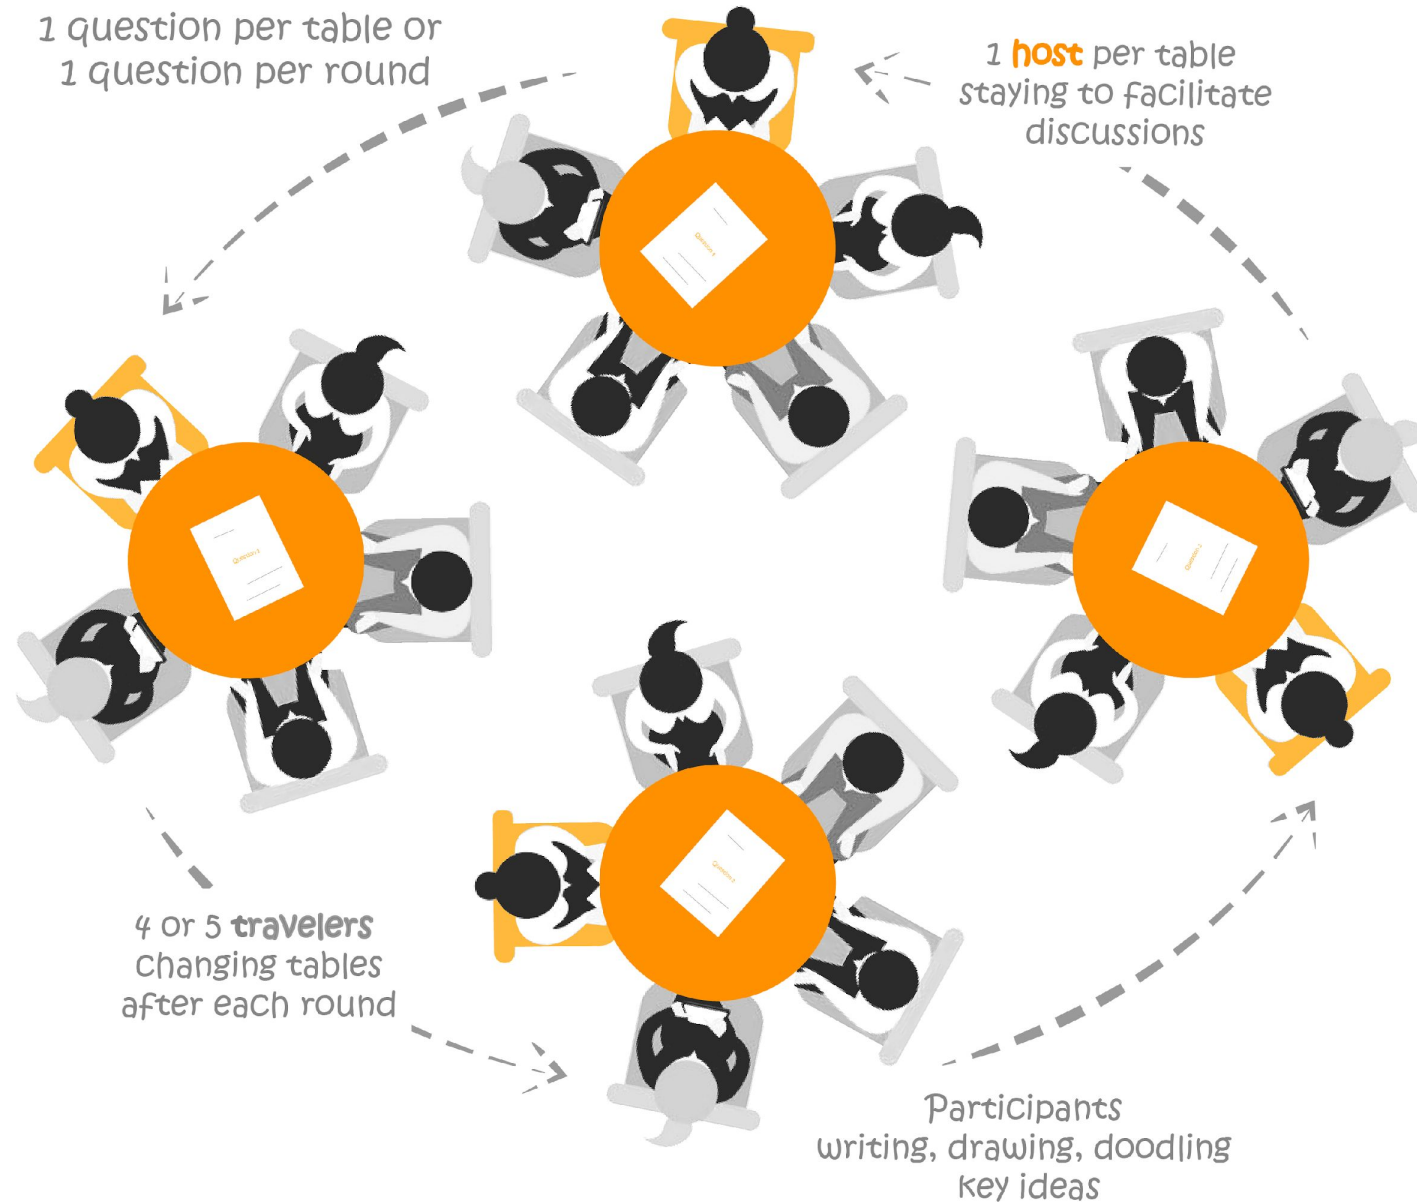

# WORLD CAFE METHOD

3 or more rounds of conversation,  
approximately 20 minutes each

1 question per table or  
1 question per round

1 **host** per table  
staying to facilitate  
discussions

4 or 5 **travelers**  
Changing tables  
after each round

Participants  
writing, drawing, doodling  
key ideas

# CONVERSATION BEST PRACTICES

- Be open to new ideas and perspectives
- Listen and let people share – isn't that the best part?
- No-judgement zone
- Be respectful, allow everyone to speak
- Don't interrupt!
- Be kind, listen, and engage – you'll have great conversations!

# GOALS

- Collectively develop ideas to advance P2 best practices and services
- Identify new collaboration or partnership opportunities better serve your businesses
- Share ideas on deepening or expanding partnerships
- How can we leverage each other's networks or other organizational networks to grow P2 engagement?

# AUDIENCE – WHO ARE WE TALKING ABOUT?

- Conversations could focus on businesses in general or be more narrow
- Could focus on broad P2 programs or specific programs
- Let your table decide – what is most relevant to you and the businesses you serve?
- How can we better partner with businesses and CBOs in EJ communities?

# P2 PARTNERSHIP EXAMPLE

#112329752

## QUESTION 1

**Why are partnership or coalitions between P2 technical assistance providers and the business community important?**

Bonus question: What partnerships would you like to build and with who?

## QUESTION 2

**What is emerging in P2 that is new for you?**

**What partners can support your work, provide training, or assist with your work?**

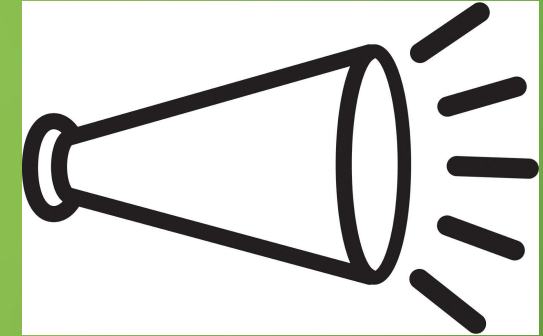

## QUESTION 3

**How can you leverage or deepen existing partnerships?**

**What commitments would be needed for this partnership to be successful for both organizations?**

## ALL-GROUP SHARING

- 1) Why are partnership or coalitions between P2 technical assistance providers and the business community important?**
- 2) What is emerging in P2 that is new for you? Support partners?**
- 3) How can you leverage or deepen existing partnerships?**
